

2016 AP Environmental Summer Assignment

- 1) Read AND take notes from Chapters 1 and 2 from your Friedland and Relyea textbook.
- 2) Answer the multiple choice questions, #1-10 on pp. 23-24 and the Free Response Questions, #1-2 p.24. Type all answers.
- 3) Answer the multiple choice questions, #1-14 on pp. 49-50 and the Free Response Questions, #1-2 on p. 51. Type all answers.
- 4) Read the book *Silent Spring* by Rachel Carson. You may borrow this in the library, but you must have a copy ready for use in class during the first week we return.
- 5) Define bolded words found within Chapters 1 and 2 and develop a vocabulary list.
- 6) Buy *The Princeton Review: Cracking the AP Environmental Science 2016* edition. You will not be using this book over the summer, but it should be purchased for use during our first week of class.
