[www.cheznous.org](http://www.cheznous.org)

## MORNING COURSES

9:00 am to 12:00 pm

Please **choose 3 classes** from the list below:

### English

Students focus on major language art skills and reading strategies.

### Math

Students develop their mathematical abilities and prepare for high school level math.

### Coding

Students will learn the basics of computer coding, using various platforms and creative approaches.

### Design Squad

Students explore engineering through fun-packed, high energy, hands-on activities. The session will empower students to solve real-world problems and understand the impact of engineering in a global context.

### Art

Students will experiment with a variety of art materials and discuss works of art throughout history.

### 20th Century American Music

Students will learn about the birth of jazz at the start of the 20th century, its place in the Harlem Renaissance, and trace its growth through World War II and beyond.

*All classes are 1 hour*

*Notre Dame reserves the right to cancel a class for insufficient registration*

## AFTERNOON COURSE

12:00 pm to 3:00 pm

### NYC Experience

Students take part in unique field trips, like exploring NYC's museums, fishing, movies, and the Central Park Zoo and have fun participating in activities such as performance art. Students will engage with their community and discover personal interests.

*Program fee includes admission fees to all venues*

*Trip Schedule will be emailed in the beginning of June*
