

2018 NOTRE DAME SOCCER

Playing soccer for Notre Dame is an opportunity to participate with a team where every player is counted on. We learn to practice as a team, play as a team, and support each other as teammates on and off the field. The most important requirement to be on the Notre Dame Soccer team is that you enjoy playing the game. If you love what you're doing, everything else will take care of itself.

2018 Varsity Soccer

The Varsity Soccer team will be competing in the Tier 1 CHSAA League, after winning two consecutive Catholic School City Championships 2015 and 2016. In 2017 Notre Dame Varsity team moved up to Tier 1 and competed against the best high school soccer teams in the city. The highlight of the season was a 2-1 win over Kennedy Catholic (2016 CHSAA City Champions).

2018 Junior Varsity Soccer

The Junior Varsity Team will compete in the highly competitive CHSAA Junior Varsity League with a minimum of 12 league games. The JV Team will consist of 18 players of freshman, sophomore and junior students.

2017-18 Winter Futsal Program

JP Roncoli coached the Futsal Training sessions this winter from Saturday's, December 2nd to February 11th in the Notre Dame Gym. The Futsal Team competed in local area Futsal Tournaments.

Futsal training is a great skill developer, demanding quick reflexes, fast thinking and pinpoint passing. Futsal develops precise ball control and technical skill, agility, and decision-making. Playing in enclosed areas develops creativity; players are also constantly placed in demanding decision-making situations, which is a major reason why Futsal is one of the finest teachers of the quick pass and move.

The skill level required is for any potential future Varsity player. Each player will need to be approved by Coach Fowler to participate in the 2018-19 season. Please email me if you are interested in Futsal Training, this next season.
