Founded in 1912, Notre Dame School continues to educate girls in the tradition of Anne de Xaintonge. Anne began her mission of education in 1606, in Dole, France. Her desire, that girls receive an excellent education in the humanities, arts and sciences and Christian spirituality, remains vibrant today.

As you turn the pages of our 2020-2021 school calendar, may you capture the joy that makes Notre Dame School Chez Nous.
We would like to extend our heartfelt thanks to Ms. Liz Davenport for organizing this project and the students who created these visions of Notre Dame while not being able to be there in person. They are beautiful reminders of all that we have to be thankful for as we share our time together Chez Nous.
